

## BALTI 220 SINGLE-LIGHT 37W 3000K CRI85

Code: 119604

Balti 220 is an outdoor wall-mounted luminaire, available in mono and bi-directional version, and designed to be equipped with COB LEDs of last generation, with passive heat dissipation. It ensures a wide lighting of the wall or of the ceiling and of the floor, with a high luminous quality. Two bi-directional versions are available on request, with light blade or 44° beam. The fittings have a very compact and shallow profile: this is ideal for applications in domestic and residential areas such as passageways, terraces and façades. Cable-gland in nickel brass, high protection rating IP66. Thanks to their versatility and elegance, Balti 220 can be installed in indoor applications, too.
