

BIDI LED 12W 30K 44° RU

Code: 190767

Exterior lighting head, to be ordered together with wall-base. Bi-directional lighting body with asymmetric optics.

General specifications

Designer	Ivela Design Team
Installation environment	Exterior
Native mounting type	Surface mounted
Made in	Italy

Physical specifications

Body material	Aluminum
Body finish	Powder-coated
Body color	Rust
Frontal color	Rust
Orientability	Fixed
Walkover	No
IP	IP66
Waterstop	No
IK	IK10
Salt mist resistance	No

Lighting specifications

Lumen	1350
Lumen #2#	
Nominal Lumen (lm)	1800
Nominal Lumen #2#	
Source lumen (lm)	
Source lumen #2

Luminous efficacy (lm / W)

Light type	White
CCT	3000K
CRI	85
Life time	L80B10
LB value @ h	50000

Electrical specifications

Power supply availability	Included
Power supply position	Internal
Control type	ON/OFF
Power (W)	12
Product Power downlight (W)	
Power uplight (W)	
Power supply type (CC / CV)	Voltage
Input Voltage MIN-MAX (V)	230
Frequency (Hz)	50-60
Nominal current (mA)	
Insulation class	I
Power factor (cosφ)	

Dimensions and weight

Length (mm)	196
Width (mm)	158
Height / Thickness (mm)	47

General conditions

Warranty	5 years
Beam (°)	44
