

RIGHT LIVE-END WITH 100W INTEGRATED TRANSFORMER 48V SQUARE BLACK

Code: 6505-10-30

Right live-end with 100W integrated transformer 48V square

General specifications

Product type	Accessory
Native mounting type	Track mounted
Junction / adapter	Track adapter

Physical specifications

Body color	Black
Body color palette code	RAL 9005

Electrical specifications

Control type	ON/OFF
Power supply voltage type	DC
Power supply type (CC / CV)	Voltage
Input Voltage MIN-MAX (V)	48
Output Voltage (VDC)	48

Dimensions and weight

Length (mm)	367
Height / Thickness (mm)	30
