

ISIDE 25° 3W 2700K WHITE ON/OFF

Code: IS-2Z01

Simple and defined geometries give shape to soft and elegant night-time atmospheres. The rigorous design of this range of exterior recessed wall lights harmonizes with the softness of the light, enhancing paths and architecture in the dark. The exterior inground lights mark a path of light, directing the way or lighting up walls and columns. Featuring a minimal design, and a very small recess depth, they offer excellent quality of light wherever they are placed.
